Podcast: David M (CEO) & Oaksprout the Tan (CPO) 'Make DAOs Autonomous Again' on Chorus One

David Minarsch and Oaksprout the Tan (respectively CEO and CPO of Valory, co-creators of Autonolas) appear on Chorus One's podcast.

> Autonolas has been conceptualised with a vision to 'make DAOs autonomous again'. It does that by providing a software stack to help DAOs with their off-chain operations and also with the help of an on-chain protocol. We discuss David and Oak's history, how Autonolas came about, its journey, and more. Dig in!
